## The Story of My Life

## **Neil Diamond**

The story of my life Is very plain to read It starts the day you came And ends the day you leave

The story of my life Begins and ends with you The names are still the same And the story's still the truth

I was alone You found me waiting And made me your own I was afraid That somehow I never could be The man that you wanted of me

You're the story of my life, And every word is true Each chapter sings your name Each page begins with you

It's the story of our times And never letting go And if I die today, I wanted you to know

Stay with me here
Share with me, care with me
Stay and be near
And when it began
I'd lie awake every night
Just knowing somewhere deep inside
That our affair just might write

The story of my life Is very plain to read It starts the day you came It ends the day you leave
