

True Love

Neil Diamond

Sun tanned, wind blown
Honeymooners at last alone
Feeling, far above far
Oh how lucky we are

While I give to you and you give to me
True love, true love
So on and on it will always be
True love, true love

For you and I have a guardian angel
On high, with nothing to do
But to give to you and to give to me
Love forever true

But to give to you and to give to me
Love forever true
Love forever true
