

Yes I Will

Neil Diamond

Yes I will
Indeed I will
If I may, if I might
If I can

Once upon a passing night dream
He beheld a mystic image
Bathed in blue reflection
Then he stood and made his song

Closed his eyes to feel the thunder
Echo like a wave around him
Love was in this strange house
And he knew he did belong,
Yes he did belong
Yes I will,
'Deed I will, if I can

And cold it was within the marrow
Waiting like the wounded sparrow
Helpless and forgotten
While the radio played on
Sing your song you fool, you dreamer
Cross the space that lies between us
Cast the stones of fortune
For the journey has begun,
Yes it has begun

So you do,
So you want to be giving
Say it out loud if you need to be holy
So you do,
So you want to be loving
Say it out now
If you need to be holier still

Say you do, say you want to be giving
Say it out loud if you need to be holy,

And you do and you want to be loving
Say it out now
If you need to be holier still

So it seems or so it may be
I can't know for sure but lately seems
I'm on a journey
To a place I've never been

And baby if I had the answers
I would lay them all before you
Plainly it's a circle,
One that ends and then begins,
And begins again
Yes I will,
'Deed I will if I can
