

# You've Got Your Troubles

Neil Diamond

I see that worried look upon your face  
You've got your troubles, I've got mine

She's found somebody else  
To take your place  
You've got your troubles, I've got mine

I too have lost my love today  
And all of my dreams have blown away  
And so forgive me if I seem unkind  
You've got your troubles, I've got mine

I'd help another time, another place  
You've got your troubles, I've got mine

She used to love me, that I know  
And it don't seem so long ago  
That we were walking  
And we were talking  
The way lovers do

You need some sympathy  
Well, so do I  
You've got your troubles, I've got mine  
I too have lost my love today  
And all of my dreams have blown away  
You've got your troubles, I've got mine  
You've got your troubles, I've got mine
