

Weather With You

Neil Finn

Walking 'round the room singing Stormy Weather
At 57 Mount Pleasant Street
Well it's the same room, but everything's different
You can fight the sleep, but not the dream

Things ain't cookin' in my kitchen
Strange affliction wash over me
Julius Caesar and the Roman Empire
Couldn't conquer the blue sky

Well, there's a small boat made of china
It's going nowhere on the mantelpiece
Well, do I lie like a loungeroom lizard
Or do I sing like a bird released?

Everywhere you go, you always take the weather with you
Everywhere you go, you always take the weather
Everywhere you go, you always take the weather with you
Everywhere you go, you always take the weather, the weather with you

Everywhere you go, you always take the weather with you
Everywhere you go, you always take the weather
Everywhere you go, you always take the weather with you
Everywhere you go, you always take the weather, take the weather, the weather with you

Everywhere you go, you always take the weather with you
Everywhere you go, you always take the weather
Everywhere you go, you always take the weather with you
Everywhere you go, you always take the weather, take the weather, the weather with you
