

# Bad Blood

Neil Sedaka

It coulda been me but it was you  
Who went and bit off a little bit more than he could chew  
You said that you had it made, but you been had  
The woman no good, no how, thinkin' maybe the blood is bad

Bad (ba-a-ad) blood (blo-o-od)  
The woman was born to lie  
Makes promises she can't keep  
With the wink on an eye

Bad (ba-a-ad) blood (blo-o-od)  
Brother, you've been deceived  
It's bound to change you mind  
About all you believe

From where I stand, it looks mighty strange  
How you let a woman like that treat you like small change  
I don't understand what you're lookin' to find  
The only thing bad blood do is mess up a good man's mind

Hear me talkin' now

Bad (ba-a-ad) blood (blo-o-od)  
The bitch is in her smile  
The lie is on her lips  
Such an evil child

Bad (ba-a-ad) blood (blo-o-od)  
Is takin' you for a ride  
The only thing good about bad blood  
Is lettin' it slide

Doo-ron, doo-ron, di di, dit, dit, ron-ron  
Doo-ron, doo-ron, di di, dit, dit, ron-ron  
Doo-ron, doo-ron, di di, dit, dit, ron-ron  
Bad blood, talkin' 'bout bad blood

Doo-ron, doo-ron, di di, dit, dit, ron-ron  
Doo-ron, doo-ron, di di, dit, dit, ron-ron  
Doo-ron, doo-ron, di di, dit, dit, ron-ron  
Bad blood  
Here we go

Bad (ba-a-ad) blood (blo-o-od)  
The bitch is in her smile  
The lie is on her lips  
Such an evil child

Bad (ba-a-ad) blood (blo-o-od)  
Is takin' you for a ride  
The only thing good about bad blood  
Is lettin' it slide

The only thing good about bad blood  
Is lettin' it slide
