

Blue Boy

Neil Sedaka

I was so happy
When you were mine
You said you loved me
It felt so fine

But now it hurts me
You went away
What can I do?
What can I say?

Hey now! Everybody calls me blue boy
Hey now! Since you told me we were through! Oh-Ooh!
Hey now! Now I know you're with a new boy
I'm such a blue boy, cause I lost you

I guess I'm foolin'
I'll never learn
But I'm still hopin'
That you'll return

Until our love
Is like it used to be
I'll just pretend
You're here with me

Hey now! Everybody calls me blue boy
Hey now! Since you told me we were through! Oh-Ooh!
Hey now! Now I know you're with a new boy
I'm such a blue boy, cause I lost you

Hey now! Everybody calls me blue boy
Hey now! Everybody calls me blue boy
Hey now! Everybody calls me blue boy...
