

# I Hope He Breaks Your Heart

Neil Sedaka

Since you found someone new,  
Can't get used to losin' you.  
If I can't have you to myself,  
I don't want you happy with somebody else.

I hope he breaks your heart and he makes you cry,  
'Til you're sorry that we said goodbye.  
Then you'll come runnin' back,  
Come runnin' on back to me.

Can't you see I need your love,  
It's not revenge I'm thinkin' of.  
Though I know it sounds unfair,  
I'll only be happy when he doesn't care.

I hope he breaks your heart and he makes you cry,  
'Til you're sorry that we said goodbye.  
Then you'll come runnin' back,  
Come runnin' on back to me  
And there I'll be,  
Waitin' for you at the door.  
I can't wait to see  
The day he doesn't want your lovin' any more.

When his love disappears,  
I'll be there to dry your tears.  
I only want you back again,  
So over and over I'll say it 'til then,  
I hope he breaks your heart and he makes you cry,  
'Til you're sorry that we said goodbye.  
Then you'll come runnin' back,  
Come runnin' on back to me.

I hope he breaks your heart and he makes you cry,  
'Til you're sorry that we said goodbye.  
Then you'll come runnin' back,  
Come runnin' on back to me.

'Til you're sorry,  
I hope he breaks your heart,  
So you'll come back to me.
