

Love Will Keep Us Together

Neil Sedaka

Love, love will keep us together
Think of me babe whenever
Some sweet talking guy comes along singing his song
Don't mess around, you gotta be strong

Just stop, 'cause I really love you
Stop! I'll be thinking of you
Look in my heart and then love
Keeps us together

You, you belong to me now
Ain't gonna set you free now
When those guys start hanging around talking me down
Hear with your heart and you won't hear a sound

Just stop, 'cause I really love you
Stop! I'll be thinking of you
Look in my heart and then love
Keeps us together

Whatever!

Young and beautiful
But someday your looks will be gone
When the others turn you off
Who'll be turnin' you on?

I will, I will, I will, I will
Be there to share for ever

Love will keep us together
Said it before and I'll sing it again
While others pretend
I'll need you now and I'll need you then

Just stop, 'cause I really love you
Stop! I'll be thinking of you
Look in my heart and then love
Keeps us together

Whatever!

I will, I will, I will, I will

Just stop, 'cause I really love you
Stop! I'll be thinking of you
Look in my heart and then love
Keeps us together

Whatever!

I will, I will, I will, I will
