

The Diary

Neil Sedaka

How I'd like to look into that little book
The one that has the lock and key
And know the boy that you care for
The boy who is in your diary

When it's late at night
What is the name you write
Oh, what I'd give if I could see
Am I the boy that you care for?
The boy who is in your diary

Do you recall and make note of all
The little things I say and do
The name you underline
I'm hoping that it's mine
Darling, I'm so in love with you

Please don't leave me blue
Make all my dreams come true
You know how much you mean to me
Say I'm the boy that you care for
The boy who is in your diary
