

A Man Needs A Maid

Neil Young

My life is changin' in so many ways
I don't know who to trust anymore
There's a shadow runnin' through my days
Like a beggar goin' from door to door

I was thinkin' that maybe I'd get a maid
Find a place nearby for her to stay
Just someone to keep my house clean -
Fix my meals and go away.

A maid A man needs a maid.
A maid

It's hard to make that change
When life and love turn strange and cold
To give a love, you gotta live a love.
To live a love, you gotta be part of.
When will I see you again?

A while ago somewhere I don't know when
I was watching a movie with a friend.
I fell in love with the actress.
She was playin' a part that I could understand
A maid A man needs a maid.
A maid A man needs
a maid.
When will I see you again? (hold)
