

Angry World

Neil Young

Some see life as a broken promise
Some see life as an endless fight
They think they live in the age of darkness
They think they live in the age of light

It's an angry world
And everything is gonna be all right
Yeah, it's an angry world
Yeah, it's an angry world

Some see life as hope eternal
Some see life as a business plan
Some wish some will go to hell's inferno
For screwing with their life in Freedom Land

It's an angry world
For the business man and the fisherman
It's an angry world
And no doubt everything will go as planned
Yeah, it's an angry world
Yeah, it's an angry world
