## **Neil Young**

Some see life as a broken promise Some see life as an endless fight They think they live in the age of darkness They think they live in the age of light

It's an angry world
And everything is gonna be all right
Yeah, it's an angry world
Yeah, it's an angry world

Some see life as hope eternal Some see life as a business plan Some wish some will go to hell's inferno For screwing with their life in Freedom Land

It's an angry world
For the business man and the fisherman
It's an angry world
And no doubt everything will go as planned
Yeah, it's an angry world
Yeah, it's an angry world
