Neil Young

1. Lover there will be another one
Who'll hover over you beneath the sun
Tomorrow see the things that never come
Today (hold)

R: When you see me fly away without you
Shadow on the things you know
Feathers fall around you
And show you the way to go
It's over, it's over

2. Nestled, in your wings, my little one
Is special, morning brings another sun
Tomorrow, see the things that never come
Today

R: When you see me...
