

Changes

Neil Young

Sit by my side, come as close as the air,
Share in a memory of gray
Wander in my words, dream about the pictures
That I play of changes

Green leaves of summer turn red in the fall
To brown and to yellow they fade
And then they have to die, trapped within
the circle time parade of changes

Scenes of my young years were warm in my mind,
Visions of shadows that shine.
Til one day I returned and found they were the
Victims of the vines of changes

The world's spinning madly, it drifts in the dark
Swings through a hollow of haze
A race around the stars, a journey through
The universe ablaze with changes

Moments of magic will glow in the night
All fears of the forest are gone
But when the morning breaks they're swept away by
golden drops of dawn, of changes

Passions will part to a strange melody.
As fires will sometimes burn cold
Like petals in the wind, we're puppets to the silver
strings of souls, of changes

Your tears will be trembling, now we're somewhere else,
One last cup of wine we will pour
And I'll kiss you one more time, and leave you on
the rolling river shores of changes

Sit by my side, come as close as the air,
Share in a memory of gray
Wander in my words, dream about the pictures
That I play of changes
