

Dirty Old Man

Neil Young

I'm a dirty old man
I do what I can
Tryin' to make a livin'
I'm a dirty old man

I like to get hammered
On Friday night
Sometimes I can't wait
So Monday's alright
It's a battle with the bottle
I win it alright
But I lost another round
In the bar last night

I'm a dirty old man
I do what I can
Tryin' to make a livin'
I'm a dirty old man

Yeah I'm gonna get fired
For drinkin' on the job
Got caught with the boss' wife
In the parkin' lot
I'm gonna get killed
For doin' this again
But I just can't help it
It's under my skin

I'm a dirty old man
I do what i can
Gonna get hammered
And do it again

I'm a dirty old man
I do what I can
Tryin' to make a livin'
I'm a dirty old man

I gotta bag a frozen pees
I use on my knees
I injured from beggin
And tryin' to please
If you believe that
I'm losin' my fat
Got a workout program
And a new rubber mat

I'm a dirty old man
Do what I can
Tryin' to make a livin'
I'm a dirty old man

I'm a dirty old man

It's a battle with the bottle
I win it alright
But I lost another round

In the bar last night

I'm a dirty old man
