

From Hank To Hendrix

Neil Young

1. From Hank to Hendrix, I walked these streets with you.
Here I am with this old guitar doin' what I do.

I always expected that you would see me through
I never believed in much but I believed in you.

R: Can we get it together can we still stand side by side?
Can we make it last? Like a musical ride?

2. From Marilyn to Madonna, I always loved your smile
Now were headed for the big divorce California style

I found myself singin' like a long lost friend
The same things that make you live will kill you in the end.

R: Can we get it together...

3. Sometimes its distorted and not clear to you
Sometimes the beauty of love just comes ringing through

New glass in the window, new leaf on the tree
New distance between us, you and me.

R: Can we get it together...
