

Hold On to Your Love

Neil Young

Hold on to your love
Hold on to your love
Though you may feel tired and blue.
The things you say,
The things you dream you might do,
Come true if you
Hold on to your love.

How long the day?
How dark the night spent apart?
Is this the way to learn?
Go your own way
Although you may break a heart
Don't let it start
Hold on to your love.

Hold on to your love.
Hold on to your love.

The things you say,
The things you dream you might do,
If only you hold on to your love.
Hold on to your love.
