

Jellyroll Man

Neil Young

Well, if you've got the craving
For some jellyroll
You've got to have it right now
Well, if you've got the craving
For some jellyroll
You've got to have it right now
I'm your jellyroll man
I've got to have it right now.

I'm your jellyroll man
I'm your jellyroll man
I'm your jellyroll man
I'm your jellyroll man
I'm your jellyroll man
I've got to have it right now.

Well, if you've got the craving
For some rock 'n' roll
You've got to have it right now
Well, if you've got the craving
For some rock 'n' roll
You've got to have it right now
I'm your jellyroll man
I've got to have it right now.

I'm your jellyroll man
I'm your jellyroll man
I'm your jellyroll man
I'm your jellyroll man
I'm your jellyroll man
I've got to have it right now.
