

Johnny Magic

Neil Young

Johnny Magic has a way with metal
Has a way with machines
One day in a garage far away
He met destiny
In the form of a heavy metal Continental
She was born to run on a Proud Highway

Then the whole world started running out of money
People losing their jobs
Right here in Wichita

Wichita
The home of the heavy metal Continental
Where the Motor-Head Messiah was tuning the system in
Johnny Magic, Johnny Magic
Johnny Magic, Johnny Magic

She burst from the garage in a blaze of silence
Disappearing down Douglas at lightning speed

She was gone before the garage door was down

In Wichita
The home of the heavy metal Continental
Where the Motor-Head Messiah was tuning the system in
Johnny Magic, Johnny Magic
Johnny Magic, Johnny Magic

Wichita
The home of the heavy metal Continental
She was born to run on a Proud Highway
Now she goes long range on domestic green fuel
100 miles per gallon is the Continental Rule
Out on the Kansas two-lane flats near Wichita

Wichita
The home of the heavy metal Continental
She was born to run on a Proud Highway
Johnny Magic, Johnny Magic
Johnny Magic, Johnny Magic
The Motor-Head Messiah went to Washington
To show them what he'd done
The senators and congressmen came down
In Washington

And they rode in the heavy metal Continental
She was born to run on a Proud Highway
Johnny Magic, Johnny Magic
Johnny Magic, Johnny Magic

Wichita
The Motor-Head Messiah was tuning the system in
