Let's Impeach the President

Neil Young

Let's impeach the President for lying And misleading our country into war Abusing all the power that we gave him And shipping all our money out the door

Who's the man who hired all the criminals
The White House shadows who hide behind closed doors
They bend the facts to fit with their new stories
Of why we have to send our men to war

Let's impeach the President for spying On citizens inside their own homes Breaking every law in the country By tapping our computers and telephones

What if Al Qaeda blew up the levees Would New Orleans have been safer that way Sheltered by our government's protection Or was someone just not home that day?

Flip - Flop Flip - Flop Flip - Flop

Let's impeach the president for hijacking Our religion and using it to get elected Dividing our country into colors And still leaving black people neglected

Thank god he's cracking down on steroids Since he sold his old baseball team There's lots of people looking at big trouble But of course our president is clean.

Thank God
