

# Like A Hurricane

Neil Young

1. Once I thought I saw you in a crowded hazy bar,  
Dancing on the light from star to star.  
Far across the moon beams, I know that's who you are.  
I saw your brown eyes turning once to fire.

R: You are like a hurricane, there's calm in your eye.  
And I'm getting blown away.  
There's somewhere safer where the feelings stay.  
I wanna love you but I'm getting blown away.

2. I am just a dreamer, but you are just a dream,  
And you could have been anyone to me.  
Before that moment you touched my lips, that  
perfect feeling when time just slips  
Away between us and our foggy trips.

R: You are like a hurricane...
