

Like You Used to Do

Neil Young

Some day you'll want me
Some day we'll get back there
Some day you'll see me, like you used to do

I got my problems
But they mostly show up with you
Some day you'll see me, like you used to do

I couldn't satisfy you
Just couldn't show you my love
But I kept on trying
Yeah, I tried and I tried
And as the time went by
You just didn't want it no more

Yeah, some day you'll want me
Some day you're gonna get back there
Some day you're gonna need me, like you used to do
