Long Walk Home

If you see Liberty tell her I will Buy her windows on the hill Laud her flowers on the sill Till they grow higher and higher.

If Liberty was a little girl Watching all the flags unfurl Standing at the big parade How would she like us now?

We balance the power From hour to hour Giant guns rage It's such a long walk home It's such a long walk home It's such a long walk home.

From Vietnam to old Beirut If we are searching for the truth Why do we feel That double-edged blade Cutting through our hand.

America, America Where have we gone? It's such a long walk home It's such a long walk home It's such a long walk home.

We balance the power From hour to hour Giant guns rage It's such a long walk home It's such a long walk home It's such a long walk home.
