

# Lookin' for a Leader

Neil Young

Lookin' for a leader  
To bring our country home  
Reunite the red, white and blue  
Before it turns to stone  
Lookin' for somebody  
Young enough to take it on  
Clean up the corruption  
And make the country strong

Walkin' among our people  
There's someone who's straight and strong  
To lead us from desolation  
And a broken world gone wrong  
Someone walks among us  
And I hope he hears the call  
And maybe it's a woman  
Or a black man after all

Yeah, maybe it's Obama  
But he thinks that he's too young  
Maybe it's Colin Powell  
To right what he's done wrong  
America has a leader  
But he's not in the house  
He's walkin' here among us  
And we've got to seek him out

Yeah, we've got our election  
But corruption has a chance  
We got to have a clean win  
To regain confidence  
America is beautiful  
But she has an ugly side  
We're lookin' for a leader  
In this country far and wide

We're lookin' for a leader  
With the Great Spirit on his side  
Lookin' for a leader  
With the Great Spirit on his side

Someone walks among us  
And I hope he hears the call  
And maybe it's a woman  
Or a black man after all
