Lookin' for a Love

I've been looking for a lover But I haven't met her yet She'll be nothing like I pictured her to be In her eyes I will discover Another reason why I want to live And make the best Of what I see.

Where the sun hits the water And the mountains meet the sand There's a beach That I walk along sometimes And maybe there I'll meet her And we'll start to say 'hello' And never stop to think Of any other time.

Looking' for a love That's right for me I don't know how long It's going to be But I hope I treat her kind And don't mess with her mind When she starts to see The darker side of me.
