

# Married Man

Neil Young

Well, I'm a married man  
Respect my happy home  
I'm a married man  
Respect my happy home  
Don't tempt me baby  
Stop singin' stop singin'  
Your old song.

Well, I work all day  
Take my money back home  
Yeah. I work all day  
Take my money back home  
I ain't got time to party  
Ain't got time for you  
No more.

Well, I'm a married man  
Respect my happy home  
I'm a married man  
Respect my happy home  
Don't tempt me baby  
Stop singin' stop singin'  
Your old song.

Well, I'm a married man.
