Why are you growin' up so fast My boy?
Oh, you'd better take your time.
Why are you growin' up so fast My son?

Oh, you'd better take your time. Almost time to make some plans My son.

Vacation gone, school is out, Summer ends year in year out.

Oh, you'd better take your time My boy.

I thought we had just begun. Why are you growin' up so fast My son?
