

# My Heart

Neil Young

Down in the valley  
The sheperd sees  
His flock is close at hand  
And in the night sky  
A star is falling down  
From someone's hand

Somewhere, somewhere,  
I gotta get somewhere  
It's not too late,  
It's not too late  
I've got to get somewhere

This time I will  
Take the lead somehow  
This time you won't  
Have to show me how

When dreams come  
Crashing down like trees  
I don't know what love can do  
When life is  
Hanging in the breeze  
I don't know what love can do

My heart, my heart  
I've got to keep my heart  
It's not too late,  
It's not too late  
I've got to keep my heart

My love, I will give  
To you, it's true  
Although I'm not sure  
What love can do

Somewhere, somewhere  
I've got to get somewhere  
It's not too late,  
It's not too late  
I've got to get somewhere

Somewhere someone  
Has a dream come true  
Somehow someone  
Has a dream come true
