

Prime of Life

Neil Young

Shadows climb up
The garden wall
Upon the green
The first leaf falls
It's the prime of life
And the king and queen
Step out into the sun, (Oh yeah)

Are you feeling all right
Not feeling too bad myself
Are you feeling all right,
My friend?

Footsteps run
Down the castle hall
To the rooms
Of the paper doll

It's the prime of life,
Where the spirit grows
And the mirror
Shows both ways (Oh yeah)

Are you feeling all right
Not feeling too bad myself
Are you feeling all right,
My friend?

When I first saw your face
It took my breath away
When I first saw your face
It took my breath away

Shadows fly
Up the garden wall
Upon the green
The first leaf falls
It's the prime of life
And the king and queen
Step out into the sun (Oh yeah)

Are you feeling all right
Not feeling too bad myself
Are you feeling all right,
My friend?
