

The Believer

Neil Young

I'm just a believer baby
In those dreams of mine
You see they just keep on comin'
In a long, long line

Oh yeah, I'm the believer
Oh yeah, I'm the believer

And like that songbird singin'
Whether it's red or blue
Just like those church bells ringin'
I'm keepin' my faith in you

Oh yeah, I'm the believer
Oh yeah, I believe in you

And though the seas may rise
Until they do
I keep doin' the things I'm doin'
And believe in you
I'm makin' the change
I'm keepin' my faith in you

Oh yeah, I'm the believer
Oh yeah, oh yeah

Sure is a windy road
That I walk with you
Look how the trees are bendin'
Their leaves are fallin' too

Oh yeah, oh yeah
I'm the believer, babe
Oh yeah

I remember my mama saying
I want to be
On this windy road
For eternity
I'm makin' the change
I'm keepin' my faith in you

Oh yeah, I'm the believer, babe
I believe in you
Oh yeah, I'm the believer, babe
I'm the believer
I'm the believer
Oh yeah
Oh yeah
