The Believer

I'm just a believer baby In those dreams of mine You see they just keep on comin' In a long, long line

Oh yeah, I'm the believer Oh yeah, I'm the believer

And like that songbird singin' Whether it's red or blue Just like those church bells ringin' I'm keepin' my faith in you

Oh yeah, I'm the believer Oh yeah, I believe in you

And though the seas may rise Until they do I keep doin' the things I'm doin' And believe in you I'm makin' the change I'm keepin' my faith in you

Oh yeah, I'm the believer Oh yeah, oh yeah

Sure is a windy road That I walk with you Look how the trees are bendin' Their leaves are fallin' too

Oh yeah, oh yeah I'm the believer, babe Oh yeah

I remember my mama saying I want to be On this windy road For eternity I'm makin' the change I'm keepin' my faith in you

Oh yeah, I'm the believer, babe I believe in you Oh yeah, I'm the believer, babe I'm the believer I'm the believer Oh yeah Oh yeah
