

# The Ways of Love

Neil Young

You are my special one  
Made my heart come all undone  
We've been havin' too much fun  
Now someone else  
Will sleep with tears  
When he hears  
What we've done.

Oh, the ways of love  
Oh, the ways of love.

Hear my song  
and hear my heart  
We'll be gone  
when the music starts  
Then we'll never be apart  
Just you and I  
Go flyin' by  
No one to cry  
That we're gone.

Oh, the ways of love  
Oh, the ways of love.

You are my special one  
Made my heart come all undone  
We've been havin' too much fun  
Now someone else  
Will sleep with tears  
When he hears  
What we've done.

Oh, the ways of love  
Oh, the ways of love.
