

# We R in Control

Neil Young

We control the data banks  
We control the think tanks  
We control the flow of air.

We're controlling traffic lights  
We control computer flights  
We control the chief of staff.

We control the TV sky  
We control the FBI  
We control the flow of heat.

Computer age in harm's way.  
We will prevail and perform our function  
C.C.T.B.

We're controlling  
We're controlling  
We control.  
We're controlling  
We control.  
We control.

We control you floor to floor  
We control you door to door  
We're controlling while you sleep

Computer age in harm's way.  
We will prevail and perform our function  
C.C.T.B.

Computer age in harm's way.  
We will prevail and perform our function  
C.C.T.B.

We are in control, we are in control, we are in control.  
We are in control, we are in control, we are in control.  
We are in control, we are in control, we are in control.  
We are in control, we are in control, we are in control.

Chemical computer thinking battery.
