Protect the wild, tomorrow's child Protect the land from the greed of man Take down the dams, stand up to oil Protect the plants, and renew the soil Who's gonna stand up and save the earth? Who's gonna say that she's had enough? Who's gonna take on the big machine? Who's gonna stand up and save the earth? This all starts with you and me Damn the dams, save the rivers Starve the takers and feed the givers Build a dream, save the world We're the people know as earth Who's gonna stand up and save the earth? Who's gonna say that she's had enough? Who's gonna take on the big machine? Who's gonna stand up and save the earth? This all starts with you and me Ban fossil fuel, draw the line Before we build, one more pipeline Ban fracking now, save the waters And build a life, for our sons and daughters Who's gonna stand up and save the earth? Who's gonna say that she's had enough? Who's gonna take on the big machine? Who's gonna stand up and save the earth? This all starts with you and me Who's gonna stand up Who's gonna stand up Who's gonna stand up Who's gonna stand up Who's gonna stand up
