```
Open up your eyes
See how life time flies
Open up and let the light back in.
```

Open up your heart Let the lovin' start Open up and let the light back in.

I was thinking of you and me Makin' love beneath the tree And now I wonder could it be.

Thinkin' 'bout the times we had Some were good and some were bad Guitar fightin' the T.V.

```
I was thinkin' 'bout you and me I was thinkin' 'bout you and me I was thinkin' of you and me I was thinkin' 'bout you and me.
```

Lookin' at you just the other night Dancin' in the evening light True love conquers all.

Old man sittin' there Touch of grey, but he don't care When he hears his children call.

```
I was thinkin' 'bout you and me I was thinkin' 'bout you and me I was thinkin' 'bout you and me I was thinkin' 'bout you and me.
```

Open up your eyes See how life time flies Open up and let the light back in.
