

## Hex

Neko Case

When you hear me calling your name in the night  
Do you run to your window thinking a coyote might  
Be howling  
When you hear me knocking at your door again  
Do you tell yourself it's only the wind  
That's blowing  
When you watch the sun sink down in the west  
Do you tell yourself that the heart in your chest  
Is still beating

Will you know or must I tell you  
This is my lover's spell you have fallen into  
My dear  
My voice is all you'll hear  
Only the sound of my heart pounding, darling  
You took my heart  
Cast it aside  
Laughed when I cried  
Like it was just no big deal  
And here all alone in the dark  
I know just how you feel

When you feel my fingers touch your skin again  
Do you tell yourself there's just no use  
In crying  
When the stars in the sky begin to fade  
Do you tell yourself, don't be afraid  
It's just the night  
That's dying

Will you know or must I tell you  
This is my lover's spell you have fallen into, my dear  
My voice is all you'll hear  
Only the sound of my heart pounding, darling
