

Alive

Nekromantix

I'm alive
Baby, I'm alive (2x)

Way of sexton is torturing my mind
Playing with my conscience
Fortook the forbidden kind
What I find natural is to others oh so wrong
Living in a world of dead ones makes me so strong
I sleep all day and haunt at night
Baby, baby, baby I'm alive

I'm alive
Baby, I'm alive (4x)

In the twilight, I fulfill my devastated greed
And I reach climax when I hear them scream
Now this feeling's even stronger than before
Brings out the beast in me, I can't help it anymore
I sleep all day and hunt at night
Baby, baby, baby I'm alive

I'm alive
Baby, I'm alive (2x)
