

# Always and Never

Nekromantix

In the woods at night  
Oh no, it doesn't seem right  
No, no, never go out alone  
'Cause it's always happy for a bone

You must be sure to stay away  
If you want to live to see another day  
You should always be aware  
Go challenge faith if you dare

No more forever  
Always and never

You never know when it shows  
But you'll always know  
When it is much too late  
It is not looking for a date
