leather sitting tight to your skin this game we are playing is a game none of us will ever win woman you're my playmate you're my toy i get rid my frustrations in a way i enjoy

this is my way to escape reality

i am a sadist with a whip i get my kicks i like the slap beat yeah tie up chicks you're a masochist a victim of my sexual fantasy my sexslave begging for orgasm...

rubber from head to toe
is this a game or a disease
well i don't know
baby won't you come
along with me
into this world without
problems to this paradise
of ecstasy

this is my way to escape reality..
