

Struck By a Wrecking Ball

Nekromantix

Beer number 1
Off to the show tonight
I'm hanging out with the zombie crew
I'm armed with cash
And my fake I.D.
Standing in line
Bugged by beer number 2
After beer number 3
All girls looks so hot
Try to make out with some chicks
In the parking lot
Beer number 4, 5, 6, and 7
Now I'm wasted
Feels like I'm gone to heaven
Wrecked out of hell
Me and the devil gives a fuck
Bloody knees
And broken elbows
That's when I know that I'm
Struck... by a wreckin' ball

Beer number 8, my favorite band is on
I bought a t-shirt
I want them to sign
Diving into the pit
On the dance floor
While I'm finishing beer number 9
After Beer number 10 now it's time to go
My friend says:
"Don't take the car"
I say: "Whatever bro"
11 and 12
Off course I can drive
Beer 13
Was the last thing I did alive

Wrecked out of hell
Me and the devil gives a fuck
Bloody knees
And broken neck
That's when I know that I'm
Struck... by a wreckin' ball
