

Mysterious Boy

Nela Pocisková

I'm not trying like a princess, dont think but im mistress, can see?
I'm not flying like a free bird, not because im scared or naive

I want to you to catch me, come on baby grab me
I want you to prove it, i know that you can do it

I just wanna keep on moving, even when im losing control.

R:

Mysterious boy, you make me feel, i cant let you go cause i want you so
Mysterious boy, you make me real and dont let it go cause i want some more
never look back
never regret
surrender the things you say to me
mysterious boy, you make me feel

wont you give me, don't you give me
wont you give me, what i live for
wont you give me, don't you give me
wont you give me, what i adore

everything is gettin' little crazy boy you got to save me somehow
i want your reaction give me satisfaction
i love this position
no limit to re-editon

i just wanna keep on moving dont you see im losing control
