

# Pounce

Nellie McKay

I'm gonna pounce, pounce  
I'm gonna pounce

I'm gonna pounce, pounce  
I'm gonna pounce

I'm gonna pounce, pounce  
I'm gonna pounce

I'm gonna pounce  
Meow  
Like a pussy cat

I'm gonna pounce, pounce  
I'm gonna pounce

I'm gonna pounce, pounce  
I'm gonna pounce

I'm gonna pounce, pounce  
I'm gonna pounce

I'm gonna pounce  
Meow  
Like a pussy cat

I'm gonna pounce, pounce  
You're feelin' hollow for the deal is done  
I'm gonna pounce, I'm gonna pounce, pounce  
You hear a rustle but you pass on by  
I'm gonna pounce, I'm gonna pounce, pounce  
You see a shadow stretching over the sun  
I'm gonna pounce  
That's when the cutest little kitty comes and hits you in the eye

I'm gonna pounce, pounce  
Meow  
I'm gonna pounce  
I'm gonna pounce, pounce  
Meow  
I'm gonna pounce  
I'm gonna pounce, pounce  
Meow  
I'm gonna pounce, pounce  
I'm gonna pounce  
Meow  
Like a pussy cat
