

Pounce

Nellie McKay

I'm gonna pounce, pounce
I'm gonna pounce

I'm gonna pounce, pounce
I'm gonna pounce

I'm gonna pounce, pounce
I'm gonna pounce

I'm gonna pounce
Meow
Like a pussy cat

I'm gonna pounce, pounce
I'm gonna pounce

I'm gonna pounce, pounce
I'm gonna pounce

I'm gonna pounce, pounce
I'm gonna pounce

I'm gonna pounce
Meow
Like a pussy cat

I'm gonna pounce, pounce
You're feelin' hollow for the deal is done
I'm gonna pounce, I'm gonna pounce, pounce
You hear a rustle but you pass on by
I'm gonna pounce, I'm gonna pounce, pounce
You see a shadow stretching over the sun
I'm gonna pounce
That's when the cutest little kitty comes and hits you in the eye

I'm gonna pounce, pounce
Meow
I'm gonna pounce
I'm gonna pounce, pounce
Meow
I'm gonna pounce
I'm gonna pounce, pounce
Meow
I'm gonna pounce, pounce
I'm gonna pounce
Meow
Like a pussy cat
