

# Really

Nellie McKay

Am I sad  
Not sad enough really  
Am I mad  
Not mad enough clearly  
Am I  
Complacent  
Completely  
Lacking in sincerity  
Yes indeed I am  
Am I tough  
Not tough enough really  
Am I rough  
Not rough enough nearly  
Am I lying here  
On the ground  
Watching you get pushed around  
Yes indeed I am  
Really  
I don't know why  
I'm such a wimp  
I realize  
I'm just your pimp  
But what can I do  
What can I do

Am I small  
Not small enough really  
I feel lame and circumspect  
I feel your pain and yet  
I feel sympathy  
Empathy  
It's just that I'm super busy right now  
Really

I don't know why  
I'm such a shit  
I realize  
This doesn't help a bit  
But what can I do  
What can I do

Am I bad  
Not bad enough really  
I feel angry and upset  
I could write you a small check  
Look I wish you luck  
And here's you're buck  
It's just that I'm a yuppie fuck  
Yes indeed I am  
Really
