

We Had It Right

Nellie McKay

Watching you glide towards me dear
Oh oh oh, it's clear
Rumor was wrong
We were right

? awhile as if ?
Oh oh oh, my love
You heard it wrong we were alright

Though your ears may hear it all my friend
Rumor has it, rumor has it wrong

And though your eyes may see it happening
Rumor has it rumor has it wrong

Watching you walk toward me sweet
Oh so complete
Rumor was wrong
We were right

Clutching your coat as we depart
Oh oh oh, my heart
You heard it wrong
We were right
Rumor had it wrong

Rumor had it wrong
And we had it right

We're talking about it

Rumor had it wrong....
