

# Zombie

Nellie McKay

Should you plan to travel way down South (woah)  
Woman to woman, I gotta tell you 'bout (a curse)  
A curse that rose out of the deep, green swamp (uh huh)  
It hollers "murder", and it makes you jump

And then it says  
Do the Zombie  
Do the Zombie, woah, yeah  
Do the Zombie  
Do the Zombie, woah, yeah

When I was younger, just a little girl (woah)  
Lennon glasses and a ponytail (uh huh)  
My mama told me, "Honey, pack your trunk" (woah)  
"We're goin' to Mississippi, do the Bayou Bump"

Where they say  
Do the Zombie  
Do the Zombie, woah, yeah  
Do the Zombie  
Do the Zombie, yeah, yeah, yeah, yeah

One day, I set out for a walk  
The path soon grew quite dark  
I saw my shadow runnin' faster  
Hurry, slow-mo, comin' after me  
After me

And it said  
Do the Zombie  
Do the Zombie, woah, yeah  
Do the Zombie  
Do the Zombie, woah, yeah

And zombie don't have to dance (sha, la, la)  
And zombie don't dance at your command (sha, la, la)  
But zombie don't have to wait (sha, la, la)  
So come on (come on)  
Do the Voodoo Shake

Do the Zombie  
Do the Zombie  
Woah, yeah

One day, I set out for a walk  
The path soon grew quite dark  
I saw my shadow runnin' faster  
Hurry, slow-mo, comin' after me  
After me

And it said  
Do the Zombie  
Do the Zombie, woah, yeah  
Do the Zombie  
Do the Zombie, woah, woah, yeah

The sun is shinin' and you're feelin' fine (woah)  
As you pass the Mason-Dixie line (uh-huh)  
The forest echoes, and the tree leaves snap (woah)  
Hey, what's that sound, spin around  
Who dat

Then they say  
Do the Zombie  
Do the Zombie, woah, yeah  
Do the Zombie  
Do the Zombie, yeah, yeah, yeah, yeah

Do the Zombie, Zombie, woah, yeah  
Do the Zombie  
Do the Zombie  
Woah, woah, yeah  
Do the Zombie  
Do the Zombie, Zombie, Zombie, the Zombie  
Do the Zombie, Zombie, Zombie
