I'm Like a Bird

Nelly Furtado

You're beautiful, that's for sure You'll never ever fade You're lovely, but it's not for sure That I won't ever change

And though my love is rare Though my love is true

I'm like a bird, I'll only fly away I don't know where my soul is I don't know where my home is And baby all I need for you to know is I'm like a bird, I'll only fly away I don't know where my soul is I don't know where my home is And I need for you to know is

Your faith in me brings me to tears Even after all these years in And it pains me so much to tell That you don't know me that well

And though my love is rare Though my love is true

I'm like a bird, I'll only fly away I don't know where my soul is I don't know where my home is And baby all I need for you to know is I'm like a bird, I'll only fly away I don't know where my soul is I don't know where my home is And baby all I need for you to know is

It's not that I wanna say goodbye It's just that every time you try To tell me, me that you love me Each and every single day I know, I'm going to have to eventually Give you yea yea yea yea yea And though my love is rare, rare, rare And though my love is true, yea Hey I'm just scared yea yea That we may fall through, yea yea yea

I'm like a bird I don't know where my soul is I don't know where my home is And baby all I need for you to know is I'm like a bird, I'll only fly away I don't know where my soul is I don't know where my home is And baby all I need for you to know is

I'm like a bird, I'll only fly away I don't know where my soul is I don't know where my home is And baby all I need for you to know is I'm like a bird, I'll only fly away I don't know where my soul is I don't know where my home is And baby all I need for you to know is

I'm like a bird, I'll only fly away I don't know where my soul is I don't know where my home is And baby all I need for you to know is I'm like a bird, I'll only fly away I don't know where my soul is I don't know where my home is And baby all I need for you to know is
