

# My Love Grows Deeper

Nelly Furtado

My love grows deeper everyday  
And takes a little piece of me  
My love grows deeper everyday  
And takes a little piece of me

My love grows deeper everyday  
Deep into the sea  
But takes a little piece of me  
A little piece of me

Oh, it's so beautiful out and I can't see why we're not allowed  
To be up in the sky with the birds counting the flowers  
And oh, my powers have failed me again  
When I can't see beginning to end  
Know I try to test it again through the hours

Wandering stars in the blue  
Could not be born 'cause of you  
Wandering stars in the blue  
Could not be born 'cause of you

My love grows deeper everyday  
And takes a little piece of me  
My love grows deeper everyday  
And takes a little piece of me

Deeper everyday  
Deep into the sea  
A little piece of me  
A little piece of me

Oh, why can't I be green as the grass beneath my feet  
As fresh as the dew hits the ground in the morning  
And not yellow like bumble bees  
Please, take me off my knees, my knees I don't wanna be red forever

Wandering stars in the blue  
Could not be born 'cause of you  
Wandering stars in the blue  
Could not be born 'cause of you

I've been, I've been looking  
I've been looking at the moon but I've been thinking of myself  
I've got me under my own skin, I don't need nobody else  
I'm looking at the moon but I'm thinking of myself  
I've got me under my own skin, I don't need nobody else

Wandering stars in the blue  
Could not be born 'cause of you  
Wandering stars in the blue  
Could not be born 'cause of you

If I could have sunlight  
In the palm of your hand  
I'd take the moonlight instead

If I could have sunlight

In the palm of your hand  
I'd take the moonlight instead
