

## Say It Right

Nelly Furtado

In the day, in the night  
Say it right, say it all  
You either got it or you don't  
You either stand or you fall

When your will is broken  
When it slips from your hands  
When there's no time for joking  
There's a hole in the plan

Oh, you don't mean nothing at all to me  
No, you don't mean nothing at all to me  
Oh, you've got what it takes to set me free  
Oh, you could mean everything to me

I can't say that I'm not lost and found  
I can't say that I don't love the light and the dark  
I can't that I don't know that I am alive  
And all of what I feel I could show you tonight

Oh, you don't mean nothing at all to me  
No, you don't mean nothing at all to me  
Oh, you've got what it takes to set me free  
Oh, you could mean everything to me

From my hands I can give you, something that I made  
From my mouth I can sing you another brick that I laid  
From my body I can show you a place, God knows  
If you know this place is holy, do you really want to go?
